

# DAILY REVITALIZATION & *protection*

## LUMINESCE™ daily moisturizing complex

is a powerful anti-wrinkle moisturizer with SPF 30 that helps reduce the appearance of fine lines and wrinkles by supporting your skin's natural ability to rehydrate. Containing over 200 key human growth factors that encourage your body's natural processes, this brilliant facial cream infuses your skin with essential hydration. The perfect solution to your skin care needs, LUMINESCE™ daily moisturizing complex dramatically improves your appearance by helping you rehydrate, renew, and revitalize your skin on a cellular level.

Your skin is a precious resource, and safeguarding it is vital to maintaining a younger-looking, more radiant you. Prolonged exposure to the sun's seductive rays and other potentially harmful elements can severely damage your skin and speed up the aging process. That's why it's important you use LUMINESCE™ daily moisturizing complex's SPF 30 protection and intense facial hydration to protect, nourish, and restore where you need it most.

## LUMINESCE™ daily moisturizing complex

uses a combination of premium ingredients carefully selected under the expertise of world-renowned dermatologist Dr. Nathan Newman for their highly effective anti-aging and hydrating properties. This non-greasy moisturizer absorbs instantly upon application, and when used daily, can provide serious benefits for both men and women. Don't wait another day to reveal your healthier looking, more youthful complexion.
