

# DISCOVER AN AGE-DEFYING *secret*

## LUMINESCE™ ultimate lifting masque

combines invigorating antioxidants with powerful stem cell technology to bring you a skin-firming masque that beautifies and hydrates—even *after* it has been removed. Our unique formula comes from exotic botanicals found deep in the wild forests of the Andes. These botanicals bind to the skin's surface and produce an instant lift while distributing moisture fundamental to skin repair. Treat yourself to the luxurious pampering of a sumptuous spa with this vitamin-rich masque.

### Your skin plays an important role in the body—

it defends against viruses and bacteria; helps balance fluid and electrolyte levels; and contains nerve receptors that allow you to feel sensations such as cold or heat. Your skin is good to you, so why not be good to your skin? Nutritional sugars found in the ultimate lifting masque are naturally derived so that skin can best absorb its clarifying, restorative properties. The patent-pending formula constructs a tridimensional matrix that continues to replenish after the masque has been peeled away, providing continuous nourishment. Using this masque regularly trains the skin to keep its lift while structurally contouring your face and sculpting it back to youthful perfection.

Designed to reduce the appearance of fine lines, the ultimate lifting masque combines the powers of tara and chicory root to lock moisture deep within dermal tissue. Because this masque gently exfoliates, it casts off old skin to reveal a glowing complexion.

LUMINESCE™ ultimate lifting masque is a crucial component to any serious skincare regimen. Rescue your skin from the showing the damaging effects of aging with LUMINESCE™.

## USAGE AND APPLICATION:

---

**DIRECTIONS:** Lather face with LUMINESCE™ youth restoring cleanser. Rinse and pat dry. Apply a thin, even layer of LUMINESCE™ ultimate lifting masque to face and neck. Wait 15 to 20 minutes. Peel off, then wash with warm water to remove any remaining masque. Pat dry and apply LUMINESCE™ cellular rejuvenation serum. Use once or twice weekly.

**CAUTION:** Avoid contact with eyes. If contact occurs, rinse eyes with water. Avoid exposing the product to sunlight and extreme temperatures. Store product in a dry, cool (20-25°C), and dark location. Color and viscosity may vary due to high concentration of proteins and growth factors in the product. Stop use and consult with doctor if irritation develops.
