

TAKE YOUR FIRST STEP TOWARDS A YOUNGER *looking you*

LUMINESCE™ youth restoring cleanser is a unique facial cleanser that allows your skin to protect its natural hydration while gently removing impurities from deep within your pores. Formulated with carefully chosen ingredients under the expertise of world-renowned dermatologist Dr. Nathan Newman, LUMINESCE™ youth restoring cleanser detoxifies your skin without stripping away the essential nutrients or moisture that are needed to support the cell renewal process.

Your first line of defense against aging, no matter your age, is clean skin. LUMINESCE™ youth restoring cleanser actually works on a cellular level to eliminate and prevent the build-up of oil, bacteria, and other toxins, giving you healthier, younger looking skin. This purifying lightweight gel infuses your pores with essential nutrients and vitamins, and helps prevent the breakout of unwanted and unsightly blemishes.

LUMINESCE™ youth restoring cleanser is designed to clear away old, dead skin cells, revealing a bright, radiant, and more youthful complexion. LUMINESCE™ youth restoring cleanser's special blend of alpha and beta hydroxy acids smooth and polish your skin's texture to perfection, leaving you feeling clean, soft, and supple, and ready to absorb the maximum benefits of your LUMINESCE™ regimen. Beautiful skin for men and women starts here, with LUMINESCE™ youth restoring cleanser.
